

Support Meeting for Adults With Autism & Their Caregivers

Join FEAT the first Wednesday of each month from 6-7:30 pm to learn more about Nevada's adult services, support programs, funding options, housing, job training and more. Each month will feature a different topic and speaker all geared towards adults on the Spectrum. Join us for an evening of support, hope and empowerment!

**January Guest Speaker: Kate Osti
Rights Advocate
Nevada Disability Advocacy & Law Center (NDALC)**

Kate will talk about the importance of appropriate transition services helping teenagers/adults with autism to develop the skills he or she needs for independent living. With knowledge of IDEA (Individuals with Disability Education Act), you and your son or daughter can become stronger self-advocates and help develop skills needed for the future.
