Join us for an informative and educational workshop for family members with loved ones of all ages with Autism or any other disabilities or special needs. The topics covered in this workshop include **Guardianship vs Powers of Attorney vs Microboards, Wills, Family Trusts, Special Needs Trusts, SSI, SSA, Social Security Disability, Medicaid/Medicare, ABLA Accounts, Budget Planning and Transition Planning**. This workshop will explain why these disability and special needs planning documents are important to have and how they complement each other in an estate plan designed to protect yourself, your family and/or your loved one's current and future quality of life and care. Don't be afraid to plan, be afraid if you don't plan.

To RSVP please send an email to jennifer@featsonv.org or call 702-368-3328. Please note the number of attendees in your group and the date of the workshop in your RSVP.
